OUR CITY

Richmond, in order to hold its own among the fast growing cities in the Eastbay must be sold on itself. Each and every citizen who works and lives in Richmond, must be sold on the idea that for him Richmond is the only city.

If he is not sold on this city he is probably living in another section, if his circumstances permit and merely waiting for an opportunity to grab that "better proposition" which he believes is waiting for him just around the corner.

In order for this city to be happy and contented, every one of the citizens of this community must be interested in, enthusiastic about, and "sold" on Richmond.

Those who cannot be sold on the city will probably move away within a short time, because they will never make a success of what they are doing in a city which they do not like.

Those citizens however, who are sold on the city must get busy and advertise their pride in being members of this thriving and growing community. The principle reason why some lack that pride in Richmond, which they should rightfully have, is due to the fact that they know so little about Richmond.

The loud talking unfortunate citizen, who can see only what this city lacks, keeps darning his complaints into the ears of the ignorant and the uninformed silent devotees of Richmond. Having no ammunition of facts with which to fire back, the silent devotee is disconcerted and if the constant fire of the dissatisfied citizen is kept up long enough the contented citizen may join the other group and become a chronic kicker.

This would seem to indicate that the boosters of Richmond should be supplied with a stock of facts about this city so that when they meet one of the famous herd of "gloomies" they can tell them what is what, and that if they don't like it they can go to some other place and air their pessimism.

Community spirit is the thing that makes a community great. All our yelling for more industries will not do us much good unless we start from the inside and get the community satisfied with what it has.

Recently a big factory decided to start a plant in Richmond. They were not sold by high pressure salesmanship. They were sold by the fact that this would be an excellent distribution point for their production because the raw material was close at hand and because they believed that they could obtain the type of labor which they required for their business.

Build from within. If some means is devised to satisfy the present citizens with conditions in this city they will begin to radiate that happiness and spirit of content to such an extent that soon all of their friends and relatives will want to make this their home and the mite that occurs, manufacturers will be turning their eyes toward this city of content to participate in the prosperity of the community.

ALL HOPE FOR
EVANGELIST
IS ABANDONED

Mother States She is Certain
That Mrs. Aimee Semple McPherson Lost Life in Waves

(By Universal Service)
LOS ANGELES, May 19.—Hope was practically abandoned late today for the recovery of the body of Aimee Semple McPherson, famous evangelist pastor of Angelus Temple believed drowned in the surf at Santa Monica yesterday.

While hundreds of searchers including many members of Mrs. McPherson's congregation, patrolled ten miles of beach between Santa Monica and El Segundo and others dragged the ocean with nets near the spot where she disappeared 200 boys and girls prayed throughout the day for the recovery of their beloved leader's body.

They were members of the Aimee Semple McPherson Bible school.

"Oh sea give up thy dead" they prayed with uplifted hands. "Oh Thou God that reignest over all and abidest in all, hear the cry of Thy stricken children."

"Humbly Oh Lord we kneel before Thee in anguish we ask simply that if it be Thy good will to do so Thou will return to us the one who has so graciously helped us when we strayed far from the paths of righteousness."

The faint hope of a few faithful followers that Mrs. McPherson might still be alive faded today when Mrs. Minnie Kennedy, her mother, said, Aimee is dead. She is asleep in the arms of Jesus."

The last person to see Mrs. McPherson alive was Miss Emma Schaffer, her secretary and companion who accompanied her to the beach yesterday. While the evangelist was swimming in the surf, Miss Schaffer sat on the sand and read her Bible.

"From time to time, I glanced at Mrs. McPherson she said. I became so interested in my reading that I did not look up for perhaps 15 minutes when I did I couldn't see Mrs. McPherson anywhere, that was at about 4:05."

After the loss of the beach Miss Schaffer reported the tragedy to the police.

According to Mrs. Kennedy, her daughter was in poor health. She was a strong swimmer but is believed to have suffered a fainting spell while in the water. Mrs. McPherson it was learned today took out a \$300,000 life insurance policy last August but allowed the policy to lapse several months ago.

Dr. Charles Shreve, former pastor of the McKendle M. E. church in Washington D.C. has been asked to come to Los Angeles to take charge of Angelus Temple.

Johanna Rincken
Is Sought Here

Richmond police were yesterday requested by the Golden Gate Undertaking Parlor of San Francisco to institute a search for Johanna Rincken of Richmond whose definite address is unknown.

According to the request, a half-brother of Miss Rincken, Julius Ratsch, 884 Golden Gate Avenue of San Francisco committed suicide yesterday by taking poison.

According to the police department efforts to locate the woman have been without result so far.

HURST FUNERAL
RITES FRIDAY

Funeral services for Mrs. Sarah L. Hurst, 69, who passed away at a San Francisco hospital yesterday, will be conducted from the Wilson and Kratzer funeral parlors tomorrow afternoon at 2:30 o'clock with Rev. Earl Haney of the First Presbyterian church officiating. Cremation will follow at the Sunset View crematory.

Mrs. Hurst was a native of Illinois and a resident of California during the past twenty-five years. She is survived by a brother, E. P. Bryant, 536 Sixth street; a sister, Mrs. Anita Reeves, 2844 Clinton avenue and a nephew, H. W. Bryant, 666 Thirty-ninth street.

The deceased was a member of the Order of the Eastern Star and the ladies auxiliary of Railroad Conductors.

Oil Tanks Ordered
By Union Oil Co.

(By Universal Service)
SAN LUIS OBISPO, Cal., May 19.—Four eighty-thousand barrel oil tanks, costing a total of \$128,000, were ordered today by the Union Oil company of California to start replacement at the tank farm destroyed by fire April 7th. An ultimate expenditure of \$1,000,000 is planned to make the farm the largest in the world, according to L. A. Todd, local manager. The work starting at once will continue for a year. The new tanks are of the above ground type. The reservoir or underground type will be abandoned under the new plans. The old type was held responsible for causing the fire to spread, it is understood.

Investigation
In Campaign of
Pepper Voted

Senate Passes Resolution Authorizing Investigation of Huge Election Expenditures

(By Universal Service)
WASHINGTON, May 19.—New-berrism in all its original odium was hurled into the Congressional campaign with a bang today by charges that from \$2,000,000 to \$5,000,000 were spent in the Pennsylvania primary election.

Deeply stirred by the charge that a large proportion of the vast sum was spent on behalf of Senator George Wharton Pepper, who was defeated by Representative William S. Vare for the Republican Senatorial nomination, the Senate ordered a sweeping investigation of campaign expenditures in all Senatorial primaries and elections.

The resolution authorizing the investigations to be conducted by a special committee of two Republicans, two Democrats and one Progressive, which was offered by Senator James A. Reed of Missouri, was adopted 59 to 13, after administration Republicans had made frantic but futile efforts to block it.

The old Democratic-Progressive coalition was revived and rode rough shod over the regulars, forcing consideration of the Reed resolution by a vote of 45 to 34. The retreat then became about and 14 administration supporters changed their votes and seven "bucked" out of the chamber.

There was no disguising the demoralizing effect of Pepper's defeat upon administration forces. It not only was accepted on all sides as a rebuke to the administration for its World Court policy and a sweeping wet victory, but it has given the Democrats a campaign issue which they will dramatize.

Pepper's defeat was all the more stunning to the administration because Secretary Mellon and Secretary of Labor Davis went into Pennsylvania and made the Senator the candidate of the White House. This was done after Vare had been given assurances that the White House would "keep hands off" in the primary.

The spirit on the Republican side of the chamber was utterly crushed. Only Senator Davis A. Reed of Pennsylvania, who supported Pepper, and Senator Bingham of Connecticut made feeble attempts to reply to the sudden Democratic assault. But they were swept aside by the biting sarcasm of the Missourian and the irony of Senator Pat Harrison of Mississippi.

The authority of the investigating committee is sweeping. It includes inquiry into "what moneys, emoluments, rewards, or things of value, including agreements or understandings or support for appointment or election to office have been promised, contributed, made or expended," on behalf of any senatorial candidate in either primary or general election.

The investigation which may be conducted throughout the summer and fall gives the committee authority to delve into the activities themselves but into acts of any "person, firm, corporation, committee, organization or association to influence the nomination of any person as the candidate of any political party or organization for membership in the United States Senate."

The hectic session, which lasted two hours, was started by Harrison, who read charges in newspapers that from \$2,000,000 to \$5,000,000 has been spent in the Pennsylvania primary. He declared that "Secretary Mellons had grown weak" from writing checks for Pepper and denounced "rich men who spend millions to defeat the will of the people in elections."

Harrison thrust Newberrism squarely into the situation by describing it as "piker's play" in comparison to the Pennsylvania primary campaign of Pepper, Vare and Gov. Pinchot, all millionaires.

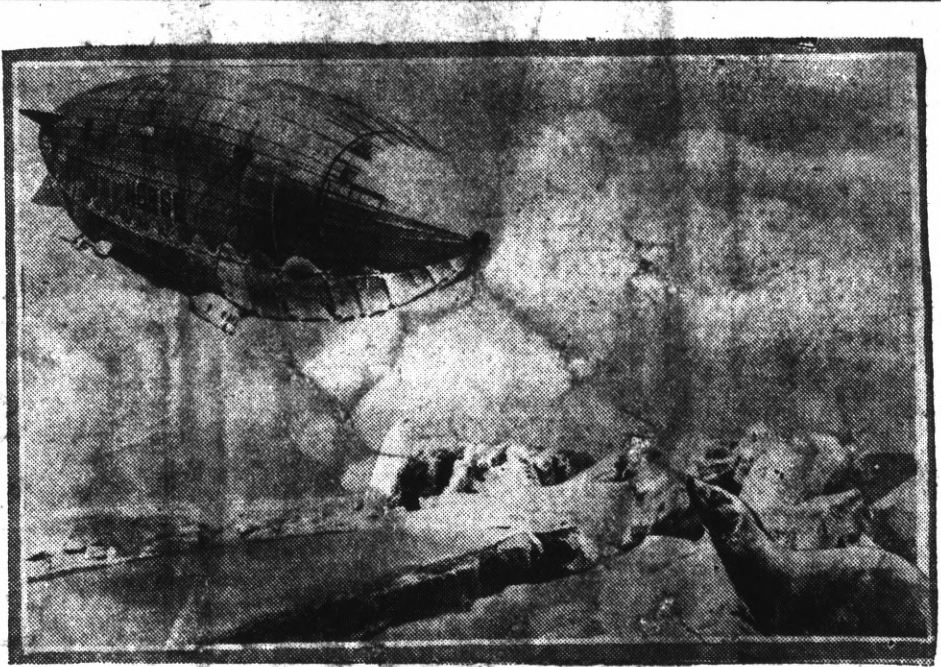

The session was ended by a blistering denunciation of Newberrism by Senator Reed of Missouri. He said:

"The burglar with loot in his possession, the highwayman with his bludgeon and pistol, the arson committer with his torch, if you sum them all, and put alongside of them the man who has expended great sums of money to poison the ballots of the American people."

Composite Photograph Gives Artist's Conception of
Amundsen Airship Norge Flying Over The Pole

This photograph is an authentic one of the giant dirigible Norge which carried Capt. Roald Amundsen, Lincoln Ellsworth, Col. Umberto Nobile and members of the expedition over the North Pole, en route to Nome, Alaska. The lower photo is an actual polar scene within the Arctic Circle. The artist has combined them so that they give a realistic conception of how the Norge crossed the Pole.

DRY LAW VOTE
IN NEW YORK

(By Universal Service)
ALBANY, N. Y., May 19.—Governor Smith today signed the Karle-Piepfels bill, providing for a state-wide referendum on modification of the Volstead act.

Accompanying his approval of the referendum proposal the governor in part said:

"No public question in the last twenty-five years has caused as much conflict of opinion as has this whole subject of the legislation sustaining the eighteenth amendment of the Constitution."

"In 1919, when the proposal to ratify the eighteenth amendment by the State of New York was pending, I strongly recommended to the legislature that the question of ratification by this state be submitted to the people. This the legislature refused to do and undertook ratification without advice from the electorate."

"Had a referendum been submitted at that time, we would have had a settlement and avoided the violent cross fire of opinion that has since found its way even into the election of minor officials who have no more to do with the Federal act or its enforcement than the State has to do with the Government of China."

"The fanatics on both sides of the question view the situation through the blurred glasses of prejudice."

"It has been urged by the opposition that this referendum makes no change in the law. That is admitted by the proponents but it is beyond the power of anyone to dispute that the referendum will settle for the present at least the attitude of the people of this state on this whole question, and if the will and the voice of the people means anything, in Democratic government, and vehicle through which it can be ascertained is to my mind desirable."

Dismantling
Of Norge Has
Been Finished

(By Universal Service)
NOME, Alaska, May 19.—Dismantling of the giant transpolar dirigible Norge at Teller, 75 miles northwest of here, was practically completed today. Arrangements were being completed to ship the parts back to Nome.

Colonel Nobile, pilot of the Norge, and the fourteen members of the crew who remained over the North Pole in the dirigible, are expected to arrive in Nome within a few days.

A report was circulated that Roald Amundsen, leader of the polar expedition, would fly from Nome to Seattle. It was said that Captain Amundsen had not decided whether he would fly or travel by boat.

One member of the Norge's crew will remain in Alaska for the time being. He is Lincoln Ellsworth, the only American to make the flight over the North Pole in the Norge. Ellsworth said: "I like these open spaces and I'm in no hurry to return to the cities."

POLISH REVOLT
IS DYING OUT

(The following delayed dispatch from Karl H. Von Wiegand, Universal Service Staff Correspondent who arrived at Warsaw Sunday night, was sent from the Polish Capital at 7:20 Monday evening, after apparently being censored by the Polish government.)

By KARL H. VON WIEGAND
(Copyright 1926 by Universal Service)

WARSAW, May 18.—The next developments in the political upheaval in Poland precipitated by Marshal Pilsudski, and which hardly deserves to be characterized as a "revolution" but rather comes under the category for which the Germans coined the word "Putsch," depend wholly on the peace negotiations with hostily inclined Posen.

The threats to march on Warsaw are not given much importance here. According to reports published in Warsaw papers the efforts of irreconcilables to raise a volunteer army are not meeting with much success.

The landed nobility and a number of political leaders in west Poland, which was former German territory, have been agitating for resistance to the new government, but the working masses are apathetic where not openly sympathetic to Gen. Pilsudski.

It is expected that the next two days will determine the issue, but it promises to take much longer to heal the cleft between the reactionaries or Posen and the politically more liberal Warsaw.

Peace and order are rapidly restoring Warsaw to normal life and with confidence in the government returning, the situation here is well in hand. Acting President Rataj and Premier Bartel are proceeding with the work of quieting and pacifying the country, but have avoided thus far every show of force, rather trusting to the common sense of the people of Poland and the tremendous popularity of Marshal Pilsudski.

I find that the reports published abroad about the fighting and destruction in Warsaw were greatly exaggerated. The damage in the city is superficial, and largely confined to the spattering of machine gun and rifle fire which scarred numerous buildings including the French and British legations.

Belvedere Palace, reported in ruins, is practically untouched. The ministry of war building, also reported destroyed, was pretty much shot up by machine guns, but is far from ruined.

The Witos Cabinet, with an entourage of about thirty persons are shut off in the Belvedere palace.

ROYAL ARCH MEETS

A business session was held by the Royal Arch Masons last night in Masonic hall, with William Urquhart presiding. Plans for a 6:30 dinner to be held on the night of June 2 were discussed. On this occasion Past High Priest Knight will confer the degree of Mark Mason.

SAN FRANCISCO, May 19.—The first Pullman sleeper will arrive at the shores of Lake Tahoe direct from San Francisco on May 29 it was announced today by E. S. McGinnis, passenger traffic manager of the Southern Pacific.

The recent construction of a broad gauge line by the railroad following along the Truckee river to the shore of the Lake will provide Pullman sleeping service from the east and west. Sleepers leaving San Francisco at 6:20 p. m. will arrive at the lake at 6:20 the following morning.

Daylight service will also be provided on trains leaving here at 7:40 a. m. and arriving at the lake at 5:30 p. m. the same day.

TWO STARVE ON
HOUSEBOATS

(By Universal Service)
SACRAMENTO, May 19.—Two house boat dwellers on the Yolo county side of the Sacramento river were in the Morgue at Woodland today, death in each case resulting from starvation.

Harry Morgan, 50, a blacksmith of thirst and hunger with food and drink only a few paces from his head. He fell ill of pneumonia while alone on his house boat. A friend found him in a dying condition after he had lain on his bed for several days too weak to crawl to the cupboard where provisions were kept.

The other starvation victim a man of middle age was found on a nearby house boat and has not been identified. He was feebly mumbling prayers when discovered and whispered in a dying statement that he had given up food and drink in penance for his sins.

CRAYCROFT RECOVERING

Harry T. Craycroft well known Santa Fe employee is making rapid recovery at the Providence hospital in Oakland, where he was taken a few days ago to undergo an operation for appendicitis, according to word received here.

Work Progresses
for Widening of
San Pablo Ave.

Actual Paving of Street is Expected to Start in About Two Months Says Engineer

Work on the plans for the paving of San Pablo avenue is progressing and City Engineer E. A. Hoffman expects to have them completed in time to present them to the city council for its approval two weeks, according to word received yesterday.

The engineering department is working on the cross sections and expects to have them completed tomorrow. Work on the profiles will be started within a few days.

According to the present plans, the car tracks of the Key System Transit company will probably be moved to the center of the thoroughfare permitting a roadway on each side.

Actual work on the paving of the street will not begin before eight weeks as that much time will be required to complete the plans, receive the sanction of the council, give notice of the improvement and receive bids on the project.

Numerous petitions have been received by the council for the proposed improvement which is regarded as a necessity for the accommodation of traffic on the main artery connecting Eastbay cities.

El Cerrito is preparing to widen the section of the avenue passing through that town. Work on the widening of the bridge across San Pablo creek has already been started, following the awarding of the contract by the State Highway Commission.

The state highway, north of the bridge, has been widened and with the widening of the bridge in Richmond and in El Cerrito the present traffic congestion on San Pablo avenue is expected to be reduced to a great extent.

San Pablo avenue is the only highway in this region which leads to Sacramento and the northern part of the state. In its present narrow condition, traffic on weekends and holidays is congested and motorists undergo hardships in traversing the route.

With the widening of the roadway in Richmond and El Cerrito, traffic from Oakland to Crockett away at a local hospital last night after an illness of two weeks' duration.

Bayley was 50 years old and a native of Troy, Missouri. He came to Richmond in 1910. He was retired from the fire department in 1924. None of his relatives live in this state.

Funeral services, to be announced later, are in the hands of Wilson and Kratzer.

E. L. Bailey Dies
In Local Hospital

E. L. Bailey, for ten years a member of the Richmond Fire Department and a captain of Company No. 3, died yesterday at a local hospital last night after an illness of two weeks' duration.

Bayley was 50 years old and a native of Troy, Missouri. He came to Richmond in 1910. He was retired from the fire department in 1924. None of his relatives live in this state.

Funeral services, to be announced later, are in the hands of Wilson and Kratzer.

(By Universal Service)
LOS ANGELES, May 14.—In inauguration of daily air passenger service over the Los Angeles to Salt Lake City air way will be attended by full ships, officials of Western Air Express announced. The four seats, two each in the eastbound and westbound planes, have been sold to business men of the two cities desirous of making the initial flight.

Girl Injured in
Auto Accident

One girl was slightly injured in one of two automobile accidents which were reported to the police last night.

Slight injuries were sustained by Miss Nixon, 135 Thirteenth street, when an automobile driven by G. W. Coyer, 934 Main street, overturned on Ohio avenue. A mishap to the steering gear caused Coyer to lose control of the car. It struck the curb and overturned in the marsh lands. Miss Nixon received treatment at the Abbott Emergency hospital, and was returned to her home. The machine was badly damaged.

A machine driven by Ruben Piche, 419 Macdonald avenue, collided with a street car between Third and Fourth streets on Macdonald avenue last night. Slight damage was done to the machine. C. H. Johnson was the motorman.

POLICE ARREST
45 IN STRIKE IN
SAN FRANCISCO

Supervisors and Union Officials
Are to Hold Conference This Morning

SAN FRANCISCO, May 19.—Realizing the necessity of immediate action as the result of the disturbances caused by the carpenters' strike in San Francisco, the board of supervisors through their committee addressed a letter to the Bay Counties District Council of Carpenters for a conference to be held at 10 o'clock this morning for the purpose of discussing the situation with the view toward ending the present strike.

Six disturbances were reported yesterday in San Francisco. One man was beaten and forty-five arrested. Two disturbances in Oakland were also reported yesterday.

The most serious disturbance in San Francisco occurred at a building in Taylor street between Jackson and Pacific streets. It is reported that more than 300 men drove up to the scene before noon and advanced on a crew of twenty men working on the building. Under a shower of bottles and rocks an officer held the men in check by leveling his revolver on the attackers. He succeeded in holding off the crowd until the arrival of the riot squad from central station.

This squad headed by Captain Arthur D. Layne were unable to disperse the mob until reinforcements arrived from the Bush street station. Charges of rioting and violating the anti-picketing ordinance were placed against forty-three men who were placed under arrest. No one was injured in the rioting.

Earlier in the day a gang of 100 men gathered at a building being erected by Ralph McLaren near Sixteenth and Capp streets. M. G. Harper, secretary of the company, was set upon by six men but succeeded in boarding a street car in time to prevent an attack.

Robert Carlson, 610 Mission street, was given treatment at the Emergency hospital for injuries sustained when he is said to have been beaten by a gang of five men at Divisadero and Geary streets.

Shortly after 5 o'clock another riot call was made from a warehouse in course of construction at Eighteenth and Indiana streets.

A one o'clock luncheon was served by the ladies aid Circle No. 3 of the Wesley church yesterday afternoon at the home of Mrs. J. P. Chandler, 521 Twelfth street. This was one of the biggest events held by the ladies and over thirty five members and friends.

At this time plans were discussed for the fishing booth which the ladies will have in operation at the Apron sale tonight at the Wesley church. Mrs. Lulu Faurot will be in charge of this booth.

Plans were also discussed for the General Aid picnic to be held in the near future at the East Shore park. This matter will be taken up when the General Aid meets on June 2.

Mrs. Chandler wishes to thank her committee that assisted her in the serving of the luncheon and especially Mrs. Lillian Black.

K. P. Lays Plans For Celebration Of Ladies Night

A committee was appointed by the Richmond commandery Knights of Pythias last night to make arrangements for the ladies night celebration to be held by the lodge on the night of May 26. Both Pythian "Sister" lodges are invited to be present. A secret program is planned by the committee and will not be announced until the night of the event. The committee appointed is composed of D. S. Delaney, R. F. Cox, A. Willson and J. Opman. William Geache, chancellor commander, presided at the session.

Pythian memorial services will be held on the second Sunday in June and a committee appointed last night to make arrangements is composed of R. F. Cox, A. Willson and F. B. Schow.

On June 9, the third district convention of the lodges will be held in Pittsburg.

HOLEPROOF OF ALL FINE HOSIERY OFFERS

5 Unique Fashion Features

Plus 31 new Paris colors

NOTE HOLEPROOF'S 5 famous style points carefully. Together they safeguard you against imperfect hose. In style—in sheer richness of beauty, this hosiery stands supreme. Through special features smartness is increased to an extraordinary degree. And HOLEPROOF styles are accepted as authoritative.

A few manufacturers of fine hosiery may offer you some of these features, but not one can give them all. By them fashion tells you to judge silk hosiery.

(1) Exquisite cleanness...In sheer chiffons, cleanness comes only with the use of uniformly even thread. The lack of it in cheaper silk causes unsightly shadow rings. So, at greater cost, HOLEPROOF selects China silk, judged finest of all oriental grades.

(2) Correct Paris shades. Paris authorities select the newest colors. A unique scientific dyeing process keeps them clear and bright. Our anti-fade treatment protects from fading.

(3) Superlative transparency. Even in the heavier weights there is no cloudiness, no streaks. First, the silk is specially tested, then it undergoes the special scientific HOLEPROOF treatment.

(4) No loose ends. Loose threads mar appearance. So HOLEPROOF carefully trims the inside of each stocking by hand.

(5) No imperfections. Style vanishes with imperfections. And here HOLEPROOF informs you by nine separate inspections. It is a fact that few other fine hose are so uniform, perfect.

Every HOLEPROOF number has this five-fold fashion safety. Every color is new—every style is faultlessly and fashionably correct.

FLOOD SCENE THRILLS MANY AT RICHMOND

"The Johnstown Flood," a William Fox production, with George O'Brien, Florence Gilbert and Janet Gaynor in the featured roles, came to the Richmond Theatre last night, for an engagement of two days. This picture offers an unforgettable, soul-stirring bit of realism in its scenes of the great Johnstown disaster. The scene where the engineer Tom O'Day saves the daughter of the owner of the dam while the flood menaces; Ann Burges' thrilling ride to warn the valley inhabitants of the dam's collapse; and the horrors of the flood itself are but a few of the many thrills to be seen in this greatest of all flood reproductions. For those picture fans who like melodrama, with tender love scenes, comedy touches and thrills, "The Johnstown Flood" has no equal on the screen to date.

Community Movie At San Pablo

"The Man Who Played God" is the title of the picture being shown at the San Pablo Baptist church on Thursday evening. This picture is a six reel feature, that has been shown with great success throughout the United States. The program is being sponsored by the Boy's Clubs of the church for the benefit of the Mortgage Fund, a free-will offering being taken. Pictures will start promptly at 7:30 in order that the children may not be kept too late.

Beef Barbecue at Fiesta to be Held In San Pablo Sun.

"So that all who attend the Holy Ghost feast in San Pablo on Sunday will be assured of sufficient food, the committee in charge of the event has arranged for a ton of beef, which will be barbecued to supply sandwiches for the hungry throng at the feast. The feast this year will be the thirty-fourth annual event staged in San Pablo and is expected to excel all of the former fiestas in the events scheduled.

Honorable Gigliano de Amorati, Portuguese Consul at San Francisco, has accepted the invitation of the committee and will deliver an address on Sunday. The fiesta will be held on Saturday, Sunday and Monday.

At the height of the program on Sunday, Miss Elsie Mae Porter will be crowned queen of the fiesta. As maid of honor, she will have the Misses, Olga Repetto, Lorraine Regello, Isabel Regello, Helen Silva and Mary Garcia. At this ceremony the ladies drill team of the S. P. R. S. L. society will take part.

There will be dancing in the afternoon and evening in Maple Hall, where most of the events will take place. Amusements have been provided for the crowds and are expected to be present.

A number of the public officials of the city and county have signified their intention of being present during the fiesta and the committee cordially invites the citizens of Richmond to be present.

The committee in charge of the 1926 fiesta is composed of: Frank Rose, chairman, John Silveira, John Regallo, Jr., Joe Cabral and Bennie Cambra.

McCoy Will Enter Plea on Monday

Indicted on two counts by the grand jury, Barney J. McCoy of Crockett surrendered to the authorities in Martinez yesterday. He was arraigned before Judge H. V. Alvarado and released on \$2,000 bail pending his entering a plea on next Monday.

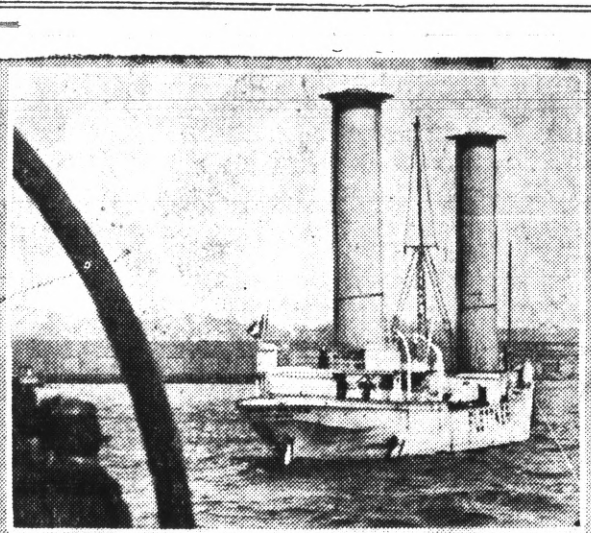

The two counts placed against McCoy are manslaughter and running away from the scene of an accident.

The case is the outcome of the death of Gus Erickson of El Cerrito, who was killed by a hit-and-run driver on San Pablo avenue several weeks ago.

Kiwanis Hears Berkeley Pastor

W. L. Seawright will represent the Kiwanis club in the drive to be conducted by the service clubs of the city to raise the \$2,600 quota allotted to Richmond for the county Boy Scout funds. Seawright was appointed yesterday by Hall W. Sanders, president of the club at the weekly luncheon. "Shirtsleeves to Shirtsleeves" was the topic of the address delivered by Rev. L. L. Cross, of the North Brae Community church, Berkeley. Three songs were sung by Archie Winchole of the Lions club. The attendance prize was won by Ralph Gilbert and Anton Nelson was chairman of the day. A report on the matter of the club in giving help toward the building of the church clubhouse asked by Rev. M. H. Greenlee at a previous meeting was made by F. J. Hulaniski.

Police Arrest 45 in Strike in San Francisco

for the California Canneries company. A crowd of approximately 500 men is said to have gathered there and were dispersed by a squad of forty police. No one was injured in this disturbance. Sam Moore, 971 Mission street, was arrested and charged with kidnapping. S. R. Voorlies during a disturbance at Toyon street and Aeneas avenue; and Frank H. Smith, was placed under arrest charged with battery in connection with the disturbance on the McLaren job where he is accused of having attacked Henry Erickson. There is no report of an arrest or injury in connection with the two disturbances reported to the police in Oakland. The first disturbance occurred at Allston avenue and Ocean View drive but the gang had disappeared before the riot squad arrived. The second riot call came shortly after 8 o'clock yesterday morning at a building being remodeled on San Pablo avenue and Isabel avenues. The police arrived in time to prevent any injuries and succeeded in dispersing the mob.

NORMA PROVES THAT SHE CAN BE FUNNY TOO

Norma Talmadge made a brilliant debut as a comedienne at the California Theatre yesterday and gave capacity audiences a new insight into the versatility of a great screen star who proves she is as expert in invoking gales of laughter as she is in stirring sighs and tears.

It is not too much to say that Norma Talmadge, universally acclaimed as the queen of emotional actresses, is equally great as a comedienne. Her latest picture is "Kiki," that delightful story of modern Parisian theatrical life, which has been brought to the silver screen by First National Joseph M. Schenck, who has entrusted the picture to that master of screen craft—Clarence Brown.

One can hardly recognize the lovely star of "Smilin' Through," "Secrets" and "Grandstar" as the devil-may-care Paris street carmin in "Kiki." Yet the change is mighty welcome, even though Miss Talmadge has so long been associated with more dignified and romantic roles.

"Kiki" is crammed with action from the first flash to the final fadeout. Some of the most hilarious scenes are those in which Kiki engages in fistfights with her foes.

The supporting cast includes Ronald Colman, Gertrude Astor, Marc Macdermott, George K. Arthur, William Orlamond, Erwin Connolly, Frankie Darro and Mack Swain.

Other features include "Tom Tin Can," a Christie comedy, featuring Neal Burns and Vera Steadman; "News in Motion," International "Marvels"; and Larry Canelo, at the organ.

Eleventh Hour Attempt to Save Condemned Men

(By Universal Service)

CARSON CITY, Nev., May 19.—An eleventh hour appeal to save John Randolph and Stinky Jukich, convicted murderers, from execution in the lethal gas chamber at the state prison here on Friday morning, will be made tomorrow morning when the State Board of Pardons meets.

In the case of Randolph who killed his aged mother while in a drunken frenzy, the trial judge, district attorney and sixty-two jurors have signed their names to a petition to commute Randolph's sentence to life imprisonment.

In the case of Jukich both the trial judge and the prosecuting attorney, have expressed their opposition to a commutation of sentence for him. Jukich was convicted of the murder of his 16 year-old sweetheart.

The lethal gas chamber at the state prison is ready to receive both men in the event their appeals are denied.

Witnesses to the execution may peer through an airtight window and watch the deadly gas snuff out the lives of the two men.

Jukich, it is feared, may collapse. He is in a highly nervous state, appears to be unable to sleep more than a few minutes at a time and paces back and forth in his cell.

Randolph on the other hand, appears unconcerned over his fate. He occupies his time by reading dime novels.

MECHANICS DOWN REFINERY BASEBALL NINE 3 - 0

CLEEK'S MEN NOW LEADING S. O. LEAGUE

Hitfest Marks Short and Snappy
Game in S. O. League Game
At Park Here

By the looks of last night's game, the Mechanics of the Standard Oil league have a pennant winning team, for in the course of last night's brawl with the Refinery team they shut them out, 3 to 0.

It was a short but snappy game, with every man playing his best. But one error was made and hits were galore. Anchovy Bartoli, flowering in left field for the Mechanics became the hero of the game. The Hon. Anchovy slammed a home run over the right field fence, gained one hit out of three times at bat and put out three men.

He Tod Murray did a bit of the hitting too. Three times at bat he slammed two hits and in the second inning got on first with a beauty drive, stole second, was advanced to third and then stole home. Murray had no more idea of stealing home than McCoy in right field, but he did it and Potts kindly muffed the ball.

Elmer Hansen contributed a boot and then came back in the fifth inning when he trotted to center field and grabbed a drive from the bat of Borton. Pop Arlett was much in evidence last night, backing up a play at third base running to center field to grab a fly and keeping the air full with his pep.

Kersten pitched a fine and fast game with Cleek receiving his offerings. Although the Mechanics batted Wolfram plenty, he stood on the mound with his famous tooth paste ad grin and hurled out of some mighty tough pinches.

Umpire Spike Elder was the same as usual behind the plate and for one instant he had a hard job rushing the "kids" from hanging onto the wire screening. Spike had also a new pair of shoes that kept his dogs howling. Between the shoes, the kids, and the razing of the mob and the players, Spike spent an enjoyable afternoon. Refreshments were not served.

For a moment it seemed as though W. A. "Chick" Autry, a new comer in local baseball circles, who so far this year has been doing well for a youngster had gleaned a fine hit, but he was robbed by Murray.

Play by play for the seven innings was as follows:

FIRST INNING

Fights In Main Event Here Friday

This is Curley Fenton, good San Francisco light heavyweight who boxes Billy Harms in the six round main event of the Richmond Athletic Club's boxing show tomorrow night. Young Pancho Villa fights Paddy Wheeler in the six round semi-windup. The boys are fly-weights. Eddie Kruger vs. Tiger Robinson, heavyweights. Cesar Bertone vs. Kid Johnson, 116 pounds. Jimmy West vs. Young Campston, 142 pounds. Manuel Vasquez vs. Sol Gill, 133 pounds. Frankie Neil, popular Richmonder will be the referee.

Sportographs

OAKS
It might be so, but we don't know and it sure looks queer, but the Oaks are after a third baseman and will have one within a few hours, unless all signs are goofy. It is known that the Oaks have offered an option to a major league team to return for immediate aid in solving the third base problem. Ray Brubaker has been holding the position at third in the place of McNally, who was pulled, but if the Oaks want the pennant this year they will have to find a third baseman hiding in a wood pile some place.

SALVAGE

John McGraw is slowly but surely scrapping the famous Giant team. Groh has gone and it may be that Art Meusel will go also, for Art is not as fast this season as he was last year. Young is slowly slipping, but making a desperate try to bring up his average. Tyson is fizzling and Terry isn't so good. Before the season is over one can expect to see the Giants with a new lineup.

THE SPORT OF KINGS

Now since Bubbling Over took the famous Kentucky derby the sports writers are casting around in an effort to match the famous horse with Calais, winner of the Coffer's handicap at Via Juana. It is thought that the two horses will meet in the Fairmount Derby on June 10, at St. Louis.

Scout Troop No. 3 To Initiate Group

Boy Scout Troop No. 3, will have an initiation of candidates and a banquet when they meet at the Scout hall on Tuesday, May 25, according to plans made when the troop met last night at the Scout hall, under the direction of Scout Master Louis Rassmussen.

At this meeting tests were held and Everett Howell received his tenderfoot badge.

the latest athlete to appear soon. He took his screen test yesterday and declared how he'll come out in the movies. Jack Dempsey appeared for several times in serials and his pictures went like buns; Benny Leonard acted like a kid in his pictures and Red Grange is yet to be seen.

"THAT'S WHERE THE WEST BEGINS"
Out where the track meets are a little longer, out where a few records are shattered, that's where the west begins! (Pardon us, Chapman.) To get down to business, the track meets staged in the west are likely to take all honors from the east in the track season. The Stanford team for instance is the best in the country and the other western teams are not far behind. The west is slowly going to the top in football and will go higher in track.

THE ANCIENT AND HONORABLE GAME
Well, if the American golfers were puffed up about their games they sure had it knocked out of them when they met the Scottish golfers on Monday. They lost five matches to the Scots, and lost them by big scores. Evidently they now see that they will have to get in and work for the Walker cup matches.

SPEDER FINED \$50

Fifty miles an hour on Macdonald avenue, cost A. G. Williams of Richmond, \$1 per mile, when he appeared before Police Judge C. A. Odell yesterday. According to the arresting officer, Williams was going fifty miles an hour on Macdonald avenue, east of Twenty-third street when he overtook him.

TIRED, ACHING FEET—

Away go the aches and pains, the corns, callouses, blisters and bunions. "TIZ" draws out the acids and poisons that puff up your feet. No matter how hard you work, how long you dance, how far you walk, or how long you remain on your feet, "TIZ" brings restful foot comfort. Your feet just tingle for joy; aches never hurt or seem tight. Get a box of "TIZ" now from any drugstore or department store.

FIREMEN SHOW BERKELEY HOW TO PLAY BALL

The Richmond Firemen baseball nine gave the Berkeley fire department team a lesson in the art of playing the national pastime yesterday morning, when they defeated the Berkeley aggregation on their own grounds to the tune of 9 to 0.

All of the local fire fighters did their stuff well and practically every member of the team managed to collect a safe one off of Hasey, who was on the mound for Berkeley.

George Evans who holds down the third sack for the local lights collected four safe ones out of six times to bat. Hathaway managed to hit safe three times out of the six times to bat.

Wright and Lavenne constituted the battery for the local nine and Wright sent twenty-one of the Berkeley players back to the bench by way of the strike-out route.

On May 30, the firefighters nine will cross bats with the Howard Auto company team at the local park, with the game starting at 1 o'clock.

This game will be the first of a double-header as the Ironworkers have a game scheduled for that afternoon in the Three C league. The Ironworkers will meet their opponents immediately after the game between the firemen and the automobilists.

BEES WIN
The San Pablo Bees defeated the St. Mary's Boys' team of Oakland by a score of 20 to 5 on Sunday at the Twenty third street diamond. Pinto and Matteri pitched for the local team.

Campbell Wins From Wiggins

(By Universal Service)

OAKLAND, May 19—Chuck Wiggins of Indianapolis won on a foul from Frankie Campbell of San Francisco in the eighth round here tonight. Campbell hit Wiggins low and was disqualified. The other bouts resulted as follows:

Stewart McLean of St. Paul won on a technical knockout in the third round of their six round bout.

Charley Long of Omaha, decided Billy Atkinson of Los Angeles, in six rounds.

Harry Labarra of St. Paul and Eddie White of San Francisco fought a four round draw.

Patsy O'Hara of Berkeley decided Eddie Landewig of San Francisco in four rounds.

Bowling League To Hold Session
Members of the Richmond Bowling league are urged to be present at the meeting to be held tomorrow night.

Why Men "Crack"

When on the Highway to Success

What Do These Things Tell You?

"Sleeplessness," Doctor Kennedy tells us, "is one of the commonest signs of nervousness. Another is physical unrest. You are showing signs of nervousness when you cannot keep from twitching your eyebrows, shrugging your shoulders, swinging one foot when your legs are crossed; or when you cannot sit at a desk or table without continually tapping with the fingers."

"The nervous man very often finds that he cannot concentrate on one task, but continually goes from one thing to another. He is also very apt to lose interest in the work and recreations that formerly gave him pleasure. And he is easily fatigued. Nervous fatigue is most commonly indicated by a constant feeling of tightness around the head."

THE worry and strain of recent years has been too much for many business and professional men who have not been able to break away from the details and anxieties associated with their occupations.

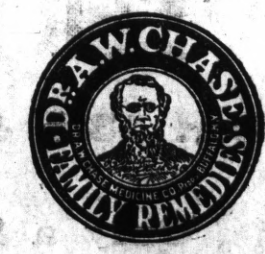

In a moment you will recall many who have broken down suddenly just when they appeared to be in their prime. Some have had their lives snuffed out

while others have lingered as invalids, lacking the energy and nerve force necessary for the pursuit of their vocations.

The warning symptoms as outlined above by Dr. Kennedy in the American Magazine are well worth a careful study, because with this knowledge you can then detect the indications of failing nervous energy while yet there is time to prevent serious results.

A few days away from the scene of your worries, rest and moderate exercise in the open will help to get you started on the way to better health. Your recovery will be greatly hastened by the use of Dr. Chase's Tonic Pills.

You will not be using this restorative treatment long before you will find yourself sleeping and resting better. And this is what you need above all else.

EL MONTE HAS PROTECTION ON BOGUS STOCKS

SACRAMENTO, May 20.—Stock swindlers fight shy of El Monte, a thriving city in Los Angeles county.

This was brought to the attention of Edwin M. Daugherty, Commissioner of Corporations, by the Chamber of Commerce of El Monte, which has formed a vigilance committee to prevent the sale of stock in that community.

The unique plan for prevention of stock selling schemes in the El Monte district has enlisted the support and cooperation of thousands of prosperous residents of that community. Under the plan, residents of the district report immediately to the Chamber of Commerce should they be approached and asked to buy stock.

Then the Vigilance Committee gets to work. The offending salesman or broker is immediately summoned before the committee and asked to explain in detail the stock proposition, and to produce his broker's or agent's certificate to do business from the corporation department. This information is then checked with the Corporation Department.

Should the Vigilance Committee decide that the stock selling proposition is risky or without merit, the salesman or broker is ordered to get out of town by the shortest way and stay out. If the proposition is meritorious the salesman is given authority to proceed but his activities are closely checked.

The vigilance plan has practically done away with the well known abuses in stock selling—that of over-selling purchasers and of misrepresentation by salesmen, and it has checked absolutely the sale of doubtful securities.

Schaeffer Final Rites Today

Funeral services for the late Fredrick Schaeffer, will be held at 2 o'clock this afternoon at the Wilson & Kratzer parlors, under the auspices of the Odd Fellows. The services will be conducted by the Rev. M. R. Feix, chaplain of the Odd Fellows.

Cremation will follow at the Sunset View crematory.

War Started on The Overloading Of Auto Trucks

The first gun of the Contra Costa county war to stop the overloading of trucks which destroy the highways of the county was fired yesterday when Justice Frank Glass at Martinez fined Lewis Sherman, driver for the Loop Lumber company \$50 for operating an overloaded truck on the Franklin highway.

Sherman was arrested by Traffic Officer George Leber when the truck with its load of lumber weighed up to 23,300 lbs., 1300 lbs. in excess of the amount allowed by the state law for commercial trucks of this type and tire size in use was discovered.

A driver for the Sunset Lumber company was stopped and it was found that his truck was loaded with a cargo totaling in weight 28,100 pounds, more than 14 tons, when the maximum is ten tons. Another truck was found to have a load over two and a half tons over the limit. Nine out of 45 trucks halted were found to be loaded tons overweight, while others were loaded to the last ounce of the maximum.

The highways of the county are being broken down by these heavy loads. The Board of Supervisors of the county have taken the stand that they are building and will continue to build the best highways possible with the funds available for such purposes with an eye to obtain the greatest possible mileage of paved roads.

The supervisors have given the traffic squad of the county, scales that are considered the best and a strict check will be made on all trucks. The county board has declared that this will be a war to the last gun in an effort to keep the county roads in such a condition that travel over them will be comfortable.

County Realtors Hold Session in Martinez Hotel

An enthusiastic meeting of the Contra Costa County Board of Realtors was held last night in the new ballroom of the Hotel Scott in Martinez.

E. B. Bull, president, presided at the session at which many items of interest to realtors of the county and the general development of the county was discussed. After a general discussion of the suggested tunnel highway between Contra Costa and Alameda county by way of Shepherd Canyon it was decided to appoint a committee to investigate the matter further and report back to the board. Bull will appoint that committee today.

The new register of real estate operators in the state has just been published and the county board will name a committee to help the state board in checking the names in this register to discover if anyone is selling real estate without a license. A careful check of all unauthorized real estate salesmen is to be made. A committee is to be named by President Bull to do the checking.

E. Willard Sill of Walnut Creek was admitted as a new member of the board at the session last night.

Those in attendance included: E. B. Bull, A. L. Paulsen, J. B. John, Thomas H. Hanna, J. C. Corrie, H. Hayden, F. J. Pedro, L. E. Mullen, Azalea E. Sanford, Stella Ramsley, Mrs. W. H. Sanford, Geo. H. Allen, E. E. Gore, W. P. Nait, C. A. Lockwood, Harry B. Blair, Mrs. Harry B. Blair, Fritz Blair, Linnet S. Blair, E. Willard Sill and Bernice Feagans.

Thinning Line of Grey Decided to Continue Meets

(By Universal Service) BIRMINGHAM, May 19.—Fifteen thousand old warriors of the confederacy, the vast majority of them staggering under the load of four score years and more, today solemnly pledged themselves to carry on the reunions of the heroes of '61 so long as "two are left to hobble to a meeting place."

The occasion was the opening session of the 36th Annual Convention of the confederate veterans, while the reunion proper began yesterday, today marked the first gathering of the grey clad warriors of the lost cause.

Newspapers Cry Revolution in German Republic

(By Universal Service) BERLIN, May 19.—While scare headlines in the Berlin newspapers today were screaming charges and counter charges with regard to alleged Fascist plots against government with uprisings to occur this coming Sunday, Dr. Wilhelm Marx the new chancellor presented his cabinet to the Reichstag. He announced his program as one of peace, bred from unity.

Crew of British Liner Berengaria, Leaving New York Cheer News That General Strike Has Been Ended

From Capt. E. G. Diggle on the bridge to the sweltering workers in the fireroom, the crew of the Cunard liner Berengaria wore smiles when the vessel sailed recently from New York. Just before the lines were cast off word came that the British strike had been called off and the crew had anticipated difficulty when reaching Southampton if they found the strikers still out. The picture shows some of the crew.

Program for the Growth of State, Conclave Topic

Cleaning house on plans for the promotion of industries in the state and for the general development of California the first days session of a two days meeting of the California Development Association was held yesterday in the Hotel Whittcomb, San Francisco.

H. A. Johnston attended the session as a representative of Richmond and Contra Costa county and served as a member of the executive committee of the Association which submitted the outstanding report of the day.

It advocated the appointment by the board of directors of a coordination committee of ten members, five from the north and five from the south, four of the members to be representatives of the state industry of the State, to establish more favorable relations between the producers and larger buyers of iron and steel products in California. It urged that California architects, engineers and contractors be requested to support the industry of the state.

It also listed as equally important the following subjects: Legislation creating a State department of mineral resources, encourage mineral development in the nation; a thorough study of the possibilities of development of cotton textile manufacture in California; legislation creating a national "high grade" law, encourage reclamation of hydraulic mining where it can be conducted without damage to other interests, coordination of the lumber industry in a further utilization of lumber waste, standardization of lumber products, and the development of the wood using industries in California.

In conclusion, the report which was adopted contained the resolution that an investigation be made on the possibilities of having all new streets, roads and highways paralleling railroads in California constructed at a distance of at least 350 feet from railroad rights of way, to safeguard the industrial future of California by conservation of industrial sites.

Representatives from every city and county in northern California were in attendance at the session and held discussions on the industrial, agricultural, horticultural and mining development of the state.

The various problems of each community were discussed as brought up by the representatives. In addition to Johnston who will also attend the sessions to be held in the St. Francis Hotel today, representatives from this county included: Warren McBryde, of Crockett, who is a member of the industrial committee, and E. B. Henderson of Walnut Creek who is a member of the agricultural committee.

Teachers' Tests Start on June 11

The date for the annual teachers' examination has been set for June 11, by the county board of supervisors. June 12, has been set for the examination of the teachers on their knowledge of the constitution.

Teachers Asked to Aid in Safety Drive for Children

SACRAMENTO, May 19.—A request that teachers of California instruct pedestrian pupils to walk on the left hand side of the highways, facing traffic, as a means of reducing serious accidents was forwarded to Will C. Wood, superintendent of instruction, today by Will H. Marsh, chief of the Division of Motor Vehicles.

Pointing to the fact that 6,000 children were killed in automobile accidents last year, Marsh declared much of the hazard of pedestrian pupils compelled to walk to school over the highways, could be eliminated by the adoption of this suggestion. Children walking on the right side of the road, he said, are unable to see traffic approaching from behind and are often hit before they are aware of the presence of danger.

An amendment to the motor vehicle act compelling all pedestrians to walk on the left side of the highways was considered at the last legislature but failed of passage.

Damascus Suffers 2nd Bombardment

(By Universal Service) LONDON, May 19.—Damascus has undergone another bombardment by artillery and from the air similar to that of last October, according to dispatches to the London Daily Express.

According to semi-official reports more than 500 civilians, including women and children were killed or burned to death in the attack. More than 100 rebels were killed and the French troops lost 20 killed. The attack lasted for 15 hours and more than 300 homes were destroyed.

LOST LICENSE WAS RECOVERED

"Much ado about nothing," said Timothy MacDonough of San Pablo yesterday, in regard to the losing of a marriage license which he and Miss Wilameda Pedro of Rodeo obtained in Martinez Monday.

It had been reported that the license was lost while the couple were rushing to get married. MacDonough declares however, that the license had dropped from his pocket while he was getting into a car and did not cause the young couple any discomfort or inconvenience.

DOLLAR DAY IS A BIG SUCCESS

Richmond merchants are elated with the success of Dollar Day yesterday. Throughout the day all of the stores flying the Dollar Day pennants were crowded with shoppers, anxious to benefit by the bargains offered by the various stores.

The merchants in arranging for the event, stocked their shelves with special lines of high grade merchandise and offered their stock at greatly reduced prices. The event was arranged by the Richmond Merchants Association, which also arranged for the publicity. Satisfaction in the success of the program was expressed by the association.

Vacation week, June 5 to 9, will be the next event on the calendar of the association. Preliminary plans for this undertaking are being prepared by the members and progress will be announced later.

Traffic Officers Must Not Play in Politics; Marsh

SACRAMENTO, May 19.—State traffic officers and inspectors "tickled" with the political bee were informed today in a ukase issued by Will H. Marsh, chief of the Division of Motor Vehicles, that they will be required either to take a leave of absence from their duties or resign before making a campaign for public office.

Officers employed in enforcement work cannot properly enforce the law against those through whom they seek political advancement, the motor chief held. Marsh's bulletin to the officers said: "It has come to my attention that some employees of the traffic department of the State are planning to seek political preferment at the forthcoming primaries. This department considers it laudable that every employee have ambitions and has no objection to those aspiring for advancement. However, any employee desiring to enter the political arena will either be required to take a leave of absence or resign from his position before engaging in these activities. "It is not possible for an employee engaged in enforcement work to attempt to enforce the law against those through whom he seeks political advancement."
